## NEW – HB Series High Bay Lights from Maser

The first of its kind, the Dialight HB series LED high Bay luminaires had been designed specially to replace conventional high bay lighting fixtures in industrial and other rugged applications. Its low profile light weight design allows for increased mounting versatility and ease of installation.

All of Dialight's long life LED luminaires are designed to meet the most demanding specification criteria while offering maximum energy savings, reduced maintenance costs, and a superior quality of light.

### Key Features & Benefits:

- Low power consumption
- Instant on/off operation
- Universal input (120-277 VAC), 50/60Hz
- Superior colour rendition index compared to HPS, LPS, MH, MV
- Mercury free
- Resistant to shock and vibration
- Temperature compensation technology for longer life
- 80% lumen maintenance after 60,000 operating hours

For further information contact the Maser sales team Ph: 1300 130 722

## Maser Catenary Wire

Now available from Maser, Maser Catenary Wire **suitable for Antenna Mast and Data Cabling**

**Part Number: M14CW180R**

- 180M X 7/090
- Overall O/D—2.7mm
- Complies with Standard AS2841
- LAY: LHD
- Plating: Zinc
- Suitable for antenna mast guying and data cabling

## Maser Newsletter

### Maser Now A Distributor For Helukabel Cable

Maser has recently been appointed as a distributor of Helukabel.

Helukabel is an international leading manufacturer and supplier for a broad range of wire and cable, custom cable, preassembled cables, cable accessories, data and pre assembled cable protection systems for robotics and handling systems.

Based in Germany Helukabel have had over 30 years experience in the industry, making over \$500 million USD worldwide and stocking locations in more than 50 countries.

Helukabel design their cables and wires to specification using various insulation and conductive materials. They supply cables and wires for both standard application such as coaxial cables, installation cables, flexible control cables and data cables as well as specialty cables to meet individual or application-specific customer requirements such as cables for renewable energy, data, network and bus engineering range and cable accessories.

For more information on the Helukabel range contact the Maser sales team on Ph: 1300 130 722

### New Catalogue for Maser

Maser has launched its new catalogue this month.

Containing more than 1000 different wire and cable products packed within 92 full-color pages, the new catalogue includes the complete Maser Group range.

Contact your Maser sales rep today for your copy

### Christmas office hours

The Maser Cable Warehouse will be closed for the Christmas break from the 24th of December day to January the 4th 2010.

In case of emergency enquires during this period, you can contact Ph: 0414 610 874

Thank you for all your support in 2009 and we hope you have a wonderful and safe Christmas.
